

## TITAN H1800TT

This Single Skin heating oil tank has 1800 litre (approx. 395 gallons) and are the ideal solution for domestic applications where bunding is not a legal requirement. Available in 3 capacities from from 1,300 – 2,500 litres, the tanks also come with Watchman Sonic Advanced Oil Monitor which helps to reduce the chances of running out of oil.

Manufactured from high grade polyethylene, British made and is corrosion resistant, has high impact strength and is UV stabilised. The bunded design ensures that any spills or leaks are contained, preventing them from spreading into the environment and causing harm.

CE Marked and complies with EN13341 standards for your complete peace of mind
